Many of us have depended on public lands during the pandemic. The Hoosier National Forest experienced unprecedented numbers of visitors. We are glad to have been here for you, and hope you will continue to explore all that the Forest has to offer. Our **Give Back to Your Public Lands** event offers you the opportunity to make a difference and assist with a variety of needs including removing invasives, cleaning dump sites, trail work, and more! Join fellow Forest users, staff and partners to **Give Back to Your Public Lands** on **National Public Lands Day**. Volunteers will have free entrance to Hardin Ridge for event and receive a free entrance voucher for a public land site.
